

Membership Subscription Policy

Memberships are paid on a calendar year basis, due and payable on 1 January each year. If payment is not received from an existing member by 31 March of that year, they are no longer a financial member.

Members of other U3A's may join as Associate members and pay 50% of the annual subscription. Evidence of current financial membership of the other U3A is required.

Membership fees after 30th June will be 50% of the annual subscription.

Life members are exempt from payment of the subscription. Other than this exemption, the rights and obligations of life members are the same as those of other full members.

Honorary members are also exempt from payment of the subscription. To protect their legal position, this status is granted to certain individuals who are prepared to assist with the running of certain activities or events, possess useful attributes or abilities and who otherwise might not wish to be or might not qualify as members. However, honorary members are only entitled to attend events and courses where they are offering the service(s) which lead to them being granted honorary membership. If they wish to participate otherwise they need to join and subscribe in the normal way.

A register of all members will be maintained by either the Secretary or the membership officer who will advise the current list of Life and Honorary members to the Treasurer at the start of each calendar year.

All members, including Life and Honorary members, must ensure that their details are up to date and that disclaimers are acknowledged by using MyU3A or by completing the Membership Application form.
